

Proposed Revisions to Web Client “Add User” screen.

Existing:

The screenshot shows the 'Add scientist' form in the OMERO web client. The form includes fields for Username, First name, Middle name, Last name, Email, and Institution. There are checkboxes for Administrator and Active. Password and Confirmation fields are also present. A 'Groups' section contains a list of available groups and a 'Selected groups' area. A 'Save' button is at the bottom.

Revised:

The screenshot shows the revised 'Add User' form in the OMERO web client. The form is titled 'Add User' and includes fields for Username, Password, First name, Middle name, Last name, Email, and Institution. There are checkboxes for Administrator and Active. A 'Groups' section includes a list of available groups and a 'Selected groups' area. A 'Save' button is at the bottom.

Changes proposed:

1. "Add Scientist" to "Add User"
2. Change mandatory asterisk to red
3. Remove mandatory asterisk from 4 fields as they are not mandatory in database
4. Remove password confirmation text box as not required
5. Move "Username" and "Passsword" text boxes to top
6. Break text boxes and labels into 3 groups
7. Simplify "Groups" explanatory text.
8. Change "Available Groups" box to left side and "Selected Groups" to right
9. Place "add group" arrow in between boxes
10. Add "remove group" arrow
11. Move "Save" button to right side
